PREFACE

We take pride in presenting the First edition of the LINDSAY TOWN DIRECTORY.

In presenting this information, we wish to acknowledge the co-operation received from both town and county officials, the Chamber of Commerce and others who have assisted in the monumental task of compiling this directory. We wish also to thank the business men and others whose patronage has made this service possible.

Our estimate of the population of Lindsay is 13,650. In future editions, we hope to include other neighbouring communities that will undoubtedly share in Lindsay's growth potential.

Your comments and suggestions are most welcome and will be acknowledged.

VICTORIA COUNTY

POINTS OF INTEREST

Champlain's Portage—Highway 46 is Portage Rd. from Bolsover through Kirkfield. Champlain's party, including Etienne Brule, took this route while exploring in 1615.

Old Monck Road—was built as a military road after the war of 1812-14 to provide an overland route from the Ottawa River to Lake Simcoe and Old Yonge St. You may travel from Kinmount to Sebright on it. (Now Hwy. 503).

Lift Locks—at Kirkfield, where a boat may be safely lifted 48½ feet to continue on the Trent Waterway System.

Falls at Fenelon Falls—named after a Suplician missionary, first settled in 1841.

McDonnell Park—Lindsay—here a plaque commemorates the founding of Lindsay by William Purdy and his sons who built a saw and grist mill on the Scugog River in 1828.

125 year old church—at Fenelon Falls over 125 years ago an Anglican Church was built.

Historical plaques at Fenelon Falls—dedicated to James Wallis who in 1834, with Robert Jameson, built a sawmill and later a grist mill where Fenelon Falls stands today. About the same time John Langton built Blythe House near Fenelon Falls.

Sturdy Sycamore Trees—In Lindsay are the only Sycamores growing this far north in all of North America.

Reforestation—of interest to the conservationist is County Reforestation taking place in Somerville, Laxton and Emily Townships.

Bobcaygeon—Monument commemorating the construction of the first Bobcaygeon Lock in 1839.

County of Victoria Museum in Lindsay, and a municipal museum at Fenelon Falls. A good collection of pioneer tools and furniture gathered in their vicinity.

Parks—There is an excellent Provincial Park at Omemee, and also between Kirkfield and Coboconk, a County of Victoria Park near Bolsover, another park in Mariposa and both park and pool in Verulam Township. Near Fenelon Falls on Cameron Lake is another pleasant Tourist park. Kawartha Park in Lindsay offers picnic grounds and pool. There is also a public park at Coboconk.

Landing fields for light aircraft at Lindsay and Bobcaygeon.

THE ACADEMY THEATRE IN LINDSAY. THE KAWARTHA'S ONLY LEGITIMATE SUMMER THEATRE PRESENTS LIVE STAGE PERFORMANCES NIGHTLY DURING JULY AND AUGUST

VICTORIA COUNTY

In the part of Ontario known as the Kawartha Lakes, you will find the history and romance of nearly 350 years of Canada.

Samuel de Champlain first discovered its beauty in 1615, when the Courier de Bois portaged through its dense forests and paddled and fished its lakes and streams.

Victoria County is still richly endowed with nature's most precious gifts — a year round playground with picturesque lakes and woolands, rolling hills, farm country and sunny beaches.

Victoria County is accessible from east or west by Highway No. 7 which can be reached from Highway No. 401 on Highway No. 12 at Whitby or Highway No. 35 which travels the length of the county from Newcastle on Lake Ontario in the south to Haliburton and Lake of Bays in the north.

VERNON'S 1972

TOWN OF LINDSAY

Alphabetical Directory

EXPLANATION

1. The wife's name is shown in brackets following the husband's name: Smith Wm R (Mary E).

2. A widow is normally listed under her own given name, with the name of her deceased husband in brackets: Smith Mary E (wid Wm R).

3. Names between borders are those of firms which subscribe to or advertise in this City Directory. Names in light face capital letters are those of proprietors, partners or executives of these firms.

4. Business firms which are individual proprietorships or partnerships are indicated by listing the names of the owner or partners in brackets: Plaza Groceries (John B Scott, Wm Noble). Conversely, a firm name in brackets after an individual's name indicates that he is an owner or partner in the firm.

5. The householder or head of the house (owner or tenant) is indicated by h preceding the street address. Other members of the family, roomers and boarders do not have this designation. To determine whether the householder is owner or tenant, refer to the pink section, where home ownership is indicated by an asterisk (*).

6. The information in this directory has been gathered from original sources and every effort has been made to ensure its accuracy; the publishers, however, assume no responsibility for any errors.

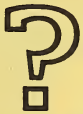
OUT OF SIGHT . . . OUT OF MIND

OUT OF BUSINESS



The importance of keeping firm and product names in the public eye is recognized by all businessmen. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistantly advertised.

• • •

The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on being well represented in its pages.
